- Acquisition of Roberts Armytage and Partners
- Outperformance in property
- Launch Amwins Amplify
- Enhance the platform
- Increased alignment with Amwins group

Amwins Global Risks is the international division of Amwins, the largest specialty wholesale distributor in the world, placing more than \$29bn in annual premium. We place over \$2.4bn of that premium, bringing the market muscle and global reach required to find solutions for the most complex risks. With over 700 employees around the world, and a global footprint across more than 140 countries, we've cemented our place as a top 10 contributor to Lloyd's. We're one of the largest independent brokers – and the largest binding authority broker – in the London Market.
