

Niche Transportation Experts

Trinity Underwriting Managers (TUMI), an Amwins company, specializes in designing, marketing and underwriting niche transportation programs on a nationwide basis through a network of appointed retail agents.

An Amwins company

TUMI also offers a full-service, wholesale brokerage division. We maintain more than a dozen contracts with 'A' rated carriers that can assist in placing risks that fall outside the parameters of our in-house underwriting guidelines.

Why TUMI?

As a program administrator and wholesale broker dedicated exclusively to niche and hard-to-place transportation risks, Trinity Underwriting Managers (TUMI) has built trusted relationships with more than 20 "A" rated carriers. Our capabilities span admitted and non-admitted products, which can be written on a primary or excess basis and are distributed through appointed retail agents across the United States.

When you work with us, you can expect:

- Quick turnaround on all quotes
- A designated underwriter assigned to your account
- Policies issued within five days, if not sooner
- Endorsements processed within five days, if not sooner
- Excellent commissions
- Competitive pricing and rates
- Broad coverages
- Highly rated carrier partners
- Many financing options
- A solid, experienced and committed management team

Value-added services

We take risk management seriously. That's why we provide forward-facing cameras for our accounts and offer telematics as an add-on capability.

About Amwins

TUMI is backed by Amwins, the nation's largest wholesale broker. TUMI is an integral part of Amwins' Underwriting division, which specializes in offering retail agents an array of P&C programs for specific product lines, industry segments and business types.

Amwins by the Numbers

- | | | |
|--|---|---|
| #1 Largest overall wholesale broker in the U.S. | \$29B+ Annual premium placements | 160+ Locations around the world |
| 12 Countries that have an Amwins office | 6,800+ Employees worldwide | 1,700+ Carrier/MGA relationships |

Our capabilities

Towing

Admitted and non-admitted package program for professional, for-hire tow companies that also engage in approved ancillary operations such as auto repair, body shop, salvage, storage, gas sales and more. AAA work and police rotations are acceptable. No new ventures.

Intermodal

Admitted and non-admitted package program designed for professional truckers engaged in intermodal transportation on either a drayage or intermediate basis. Single owner-operators as well as large fleet accounts are acceptable. Monthly reporting forms are offered on a unit basis. UIAA compliant. No new ventures. Available in states with key ports and transportation hubs.

Repossession

Non-admitted package program for professional repossession contractors who work with banks, credit unions and other reputable lending institutions. Wrongful repo language is available, as is drive-away coverage and garage-keepers direct primary. No pawn shops or new ventures.

Cargo & physical damage

Competitive program designed for local, intermediate and long-haul trucking companies requiring cargo and physical damage. A variety of coverage forms, limits and deductibles are available. No new ventures.

Dump Truck

Admitted and non-admitted package program for professional truckers that haul sand, gravel and other aggregate materials. Roll-off containers that transport construction debris can also be considered. No new ventures.

Amwins is proud to be **AM Best's first delegated underwriting authority enterprise (DUAE) to receive a PA-1 score**, reflecting the highest standards for underwriting excellence.
