

Why Amwins Accident & Health Underwriters?

Amwins Accident & Health Underwriters brings together the firepower of Beacon Risk Strategies and Strategic Underwriting Solutions, two long-standing MGUs with a track record of delivering full-spectrum underwriting expertise and unrivaled service.

As a specialty underwriter, distributor and program manager, we've earned the trust of our carrier partners and therefore are able to offer more creativity and customization in everything we do. Whether you're looking for stop-loss underwriting, risk management consulting, specialty programs or proprietary products, our philosophy is rooted in stability, service and support to ensure you and your clients find success.
