ABOUT US

The Managing Agency Group, Employee Benefits (MAG-EB), is a full service brokerage agency and third party administrator. MAG-EB offers competitive employer sponsored, contributory or voluntary group plans and products for group ranging from 2 to 1,000 employees. We have a vast portfolio of products and carrier relationships which allow us to provide multiple proposals with flexible, affordable plans and competitive rates for your client needs.

AmWINS Group Benefits offers the industry's most compelling solutions for group insurance programs and administrative services. Our mission is to provide benefit professionals with the tools they need to solve complex issues. Dedicated to empowering clients with the information and infrastructure to manage group plans, we develop, distribute and administer benefit programs with tremendous efficiency. Through individual attention and responsiveness, we become an invaluable partner to those we serve.
