## An insurance program designed around the specific needs of many types of medical facilities

Amwins Program Underwriters' Medical Facilities insurance program provides a package of property and casualty coverages based on the unique needs of the many types of medical facilities. With over 40 years of experience, we have the partnerships and deep understanding of the market exposures to provide a broad range of coverage.

### Coverages

- Professional liability
- General liability (must write PL also)
- Property (admitted)
- Employee benefits liability (must write both PL & CGL also)
- Package policy includes coverage for I.C.'s while working within the scope of duties for named insured
- Bodily injury definition includes mental anguish and mental injury on the CGL
- Crime or fidelity bond (admitted)
- Sexual abuse is included within the definition of "professional services wrongful act" in the policy form
- Defense costs are generally outside policy limits on package policy
- Ability to quote excess liability
- Worldwide coverage (claim must be filed in the U.S.)

### Eligible accounts

- Rehab facilities
- Clinics: community, family planning, rural & more
- Allied health schools
- College and university health centers
- Community health centers
- Dialysis centers
- Emergencenets/urgicenters
