Our service

Aviation is a vast, complex and ever-changing industry. Our clients present unique challenges and expect imaginative (re)insurance solutions. This is what we do. In a highly competitive market, our team looks for ways to deliver the solutions you need, swiftly and effectively.

Our experience

As you'd expect, our team has plenty of experience negotiating, placing and managing (re)insurance contracts for clients within the Aviation sector.

We take our long-standing relationships seriously, reaching across global aviation (re)insurance markets to give our clients access to some of the most secure and reliable capacity available.

Our broking team has the contacts and the expertise to arrange intelligent, custom-built solutions for clients of any nature. We collaborate consistently with companies from all corners of the industry, from operators of multi-aircraft fleets to national airlines, international airports to aerospace manufacturers, and many more.

Amwins Global Risks is the international division of Amwins, the largest specialty wholesale distributor in the world, placing more than \$33bn in annual premium. We place over \$2.8bn of that premium, bringing the market muscle and global reach required to find solutions for the most complex risks. With over 700 employees around the world, and a global footprint across more than 120 countries, we've cemented our place as a top 10 contributor to Lloyd's. We're one of the largest independent brokers – and the largest binding authority broker – in the London Market.
