

Natural Gas Distributors Insurance Program Questionnaire and Survey Form

The Natural Gas Distributors insurance program recognizes and pays close attention to the unique exposures of Gas Utilities, addressing these exposures in a comprehensive manner. Underwritten only with quality carriers, the program is designed to accommodate the risk management needs of utility services.

Note: Please provide Acord applications with completed portions of the Natural Gas Distributors program questionnaire and survey form for those coverages desired. Please indicate where no coverage is desired. This form will allow the agent/broker to identify exposures and provide the necessary information to effectively underwrite and competitively price the coverage.
