Areas of Specialty

Small to Mid-Market

Dedicated sales, service, and technology solutions for small to large group medical, level-funded, professional employer organization (PEO), and ancillary products for small to mid-market employers. Our local sales and service teams provide market-level intelligence for brokers across the country.

Self-Funded

Comprehensive negotiation, implementation, and management of medical stop-loss with innovative risk management, cost containment, claims management, data & analytics, and specialty programs backed by expert consultation services for self-funded plans.

Ancillary

A custom-built center of excellence helping brokers to navigate ancillary benefits with confidence, expertise, and efficiency, delivering solutions that make it easier to win more business and grow revenue by simplifying and streamlining ancillary.

Exclusive Programs

Dynamic stop-loss underwriting and risk management consulting with specialty programs and proprietary products that go beyond traditional solutions. Access coverage and counsel across risk assessment & underwriting, claims administration, program management, compliance & audit services, and proprietary Dialysis Management Solutions.

Retiree Healthcare

Sustainable, compliant, and cost-effective retiree healthcare solutions to protect retiree benefits and navigate Medicare with clarity. Get guidance across Medicare Advantage, Medicare Supplement, Part D, EGWP, RDS, and Ancillary solutions and bring confidence to even the most complex retiree conversations.

Small to Mid-Market

Delivering a great benefits experience comes down to one simple thing—taking care of people. That’s why the Small to Mid-Market team offers access to local market sales and service experts that are supported by the strength, speed, and reach of a national scale. Our tailored sales consulting, knowledgeable service teams, and innovative benefits technology offerings are all designed to help brokers deliver a seamless experience, from quote to card.

Our team is committed to your success every step of the way!

Amwins Advance

Alleviate cash flow challenges in both TPA-administered and BU-CA-administered plans. **Amwins Advance** can fund claims up to \$5M within 24 to 72 hours of a loss.

Medical & RX Claims Audits

Defend against costly inaccuracies in claims processing. Review the entire claim process from patient to provider to insurance carrier with **Amwins Benefit Watch®**.

Actuarial & Analytical Services

Evaluate and compare specific deductible scenarios and quickly assess your client's opportunity to transition from a fully-insured to a self-funded plan.

Ancillary

Access a best-in-class portfolio of ancillary benefit solutions designed to streamline delivery, support sustained business growth, and enhance client deliverables. Our high-touch, high-tech service model integrates elite ancillary consulting with intelligent technology, enabling brokers to operate more efficiently while delivering a superior client experience.

Backed by the strength of Amwins, brokers benefit from meaningful market influence, long-standing carrier relationships, and industry expertise that elevates competitiveness and improves outcomes. This foundation allows us to deliver strategies shaped by real-time market insight and aligned with the evolving needs of today's employer groups.

Stop-Loss

Our Stop-Loss underwriting team helps brokers protect self-funded employers with responsive service and smart coverage structures. We translate claims data into clear recommendations, negotiate competitive terms with leading carriers, and guide strategies around disclosures, lasers, contract basis, and renewals.

Retiree Healthcare

Our team delivers sustainable, compliant, and cost-effective retiree healthcare solutions for our broker partners. With more than 30 years of experience and 700+ employer and labor group clients nationwide, we help clients protect retiree benefits while navigating Medicare with clarity and confidence.

Retiree healthcare is not an extension of active benefits; it's a specialty.

Our dedicated focus on retiree populations provides brokers with trusted guidance across Medicare Advantage, Medicare Supplement, Part D, EGWP, RDS, and Ancillary solutions.

We provide a fully integrated, all-inclusive retiree healthcare solution tailored to each client's unique needs. From strategy and placement to implementation, enrollment, billing, and ongoing administration, we manage every aspect of retiree healthcare — so brokers and employers don't have to.
