

## Amwins Amplify

Amwins Amplify is a cross-class portfolio solution, offering a suite of products exclusively through Amwins Global Risks. Amplify is supported by a panel of A-rated Lloyd's carriers that provide automatic follow-form capacity across several classes of business.

### Offering

- Fast, efficient follow capacity based on designated underwriting criteria
- Exclusive to Amwins Global Risks clients – US & International
- Facility follows recognised expert lead markets in Lloyd's and the London Market
- Automatically quotes capacity within 24 hours
- Easy to use; all we need is:
  - Lead market quote
  - Risk code
  - TIV
  - Territory
- Access to multiple RMS stochastic models
- On PPL and Whitespace, and as easy to trade with as your other markets

### How Amplify benefits your clients

-  **Exclusive** access to suite of products offered only through Amwins Global Risks
-  **A-rated** Lloyd's capacity that is additional and separate to existing capacity
-  **Pre-secured** and ring-fenced aggregate for AGR risks
-  **No re-underwriting** and faster claims payments – delegated to Lloyd's lead
-  **Follows pricing** and terms & conditions agreed by lead market
-  **Available for new** and existing business to AGR
-  **Broad deployment** of capacity within a program

### Product lines

Class of business	Max line size (any one risk)	Max limit (USD) (any one risk)

**Exclusive to AGR — Use us now!**

Amwins Global Risks is part of the international division of Amwins, the largest specialty wholesale distributor in the world. We place more than \$3.5bn of Amwins' \$44.5bn in annual premium, bringing the market muscle and global reach required to find solutions for the most complex risks. With over 800 employees around the world, and a global footprint across more than 150 countries, we've cemented our place as one of the largest independent brokers in the London Market, and a top 10 contributor to Lloyd's.
