MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVLNI, the Insurance Fraud Bureau and other bodies permitted by law or regulation for purposes not limited to, but including:

- Electronic Vehicle Licensing
- Continuous Insurance Enforcement
- Law enforcement (prevention, detection apprehension and or prosecution of offenders)
- The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

Persons (including their appointed representatives) pursuing a valid claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at [www.askmid.com](http://www.askmid.com).

You can ask us for more information about this or visit the MIB website at [www.mib.org.uk](http://www.mib.org.uk). You should show this notice to anyone Insured to drive the vehicle(s) covered under this Policy.
