

# Why choose Unicorn Underwriting?

Unicorn Underwriting is the Managing General Agent of US-based wholesale broking giant Amwins. We bring capacity, speed of service to brokers and clients and underwriting expertise. We offer our clients secure and thoughtful solutions which we believe are positioned to promote long-term relationships with our trading partners.

# We do things differently.

Our team is client oriented, providing peace-of-mind that comes with using a service-driven underwriting partner. We pride ourselves on ease of doing business and superior response time. Our team has the experience, tools and levels of authority necessary for swift decision-making, and this creates a distinct competitive advantage for our clients and partners.

# Our programs

#### **Motor Fleet**

## **Target markets**

#### **Fleet**

- Car and van fleets of 10 vehicles or more
- Fleet rated historically with a minimum confirmed 3 years claims experience from the holding insurer.

### **Passenger Carrying Vehicle**

- All categories of passenger transport business are considered, from a small minibus operator to a large bus operator.
- Core book of business includes small to medium sized, family owned operators where vehicles are used predominantly for school contracts, private hire and UK tours. Stage use will be considered subject to claims experience.

#### Haulage

- Risks showing claims costs and frequency which are below the industry average.
- Our underwriters are also experienced in writing insurance programmes for large haulage companies involving an element of self-insurance.

### **Commercial Combined**

 Offers a range of insurance covers for a wide spectrum of trades, from manufacturing, wholesale, distribution and service providers, to sports and social clubs. Includes wholesalers, printers, plastic injection moulders, metal and electronic goods manufacturing.

#### Retailers

 Suitable for most types of independently owned retail businesses including opticians, grocers, butchers, newsagents, hairdressers, florists, carpet retailers and restaurants.

### Office & Surgery

 Offers a range of covers to suit a variety of office-based businesses including secretarial services, graphic designers, estate agents, computer consultants, management consultants, dentists and doctors.

#### **Motor Trade Combined**

 Offers cover for motor trade risks that include new/used motor sales and servicing and repair operations (private vehicles and light commercial up to 7.5t).

#### **Property Owners**

 Offering covers for Residential and Commercial property owners, student lets and letting agents.

#### Non-standard Property Owners

- Suite of specialist products for a wide range of property owning clients including our bespoke Unoccupied wordings which offer 3 levels of cover from basic to full perils. Short period policies also available.
- Target markets include HMOs/Bedsits, DSS (landlord/tenant), asylum seekers, students, holiday lets, housing associations, unoccupied residential and unoccupied commercial.

## **Worldwide Property**

- Specialising in medium to large property insurance and reinsurance in the US and internationally.
- Target occupancies include real estate, municipalities, schools, hospitals, hospitality, storage and light engineering risks.
