

Attention Agents with Contractors— SB216 went into effect on 1/1/2023!

Have you heard about SB216? If not, we can help!

On October 11, 2022 The Contractors State License Board (CSLB) sent out this [news release](#) notifying contractors of SB216. Senate Bill 216 requires concrete contractors holding a C-8 license, HVAC contractors holding a C-20 license, asbestos abatement contractors holding a C-22 license, or tree service contractors holding a D-49 license to also obtain and maintain workers' compensation insurance even if that contractor has no employees. SB216 went into effect on 1/1/2023 so now is the time to submit!

You can send your applications to us at wwfi.workcomp@amwins.com. All we need is an ACORD 130 and our Work Comp Supplemental found [here](#). If you have any questions, please don't hesitate to give us a call at 888-693-7892 option 4.

Remember any contractor in California that hold the following licenses, needs workers comp:

- C-8 Concrete Contractor
- C-20 HVAC Contractor
- C-22 Asbestos Abatement Contractor
- D-49 Tree Service Contractor
