## Who we are

Amwins Specialty Casualty Solutions (ASCS) is an MGA and specialty insurance program creator. Through our differentiated and exclusive programs, we write approximately \$1 billion in annual premium for a select group of specialty niche industries.

Our exclusive **Healthcare Program** is a comprehensive workers' compensation solution for sophisticated guaranteed cost buyers. Coverage is provided through an A- XI rated carrier and claims are managed by CCMSI. The minimum premium is \$10,000 and there is no max premium.

## Target industry segments

### Home health services

- Homemakers/Companion Care
- Skilled Nursing
- Hospice
- Respite Care and Memory Care
- Physical/Occupational Therapy
- Speech Therapy
- Counseling

### Residential services

- Nursing Homes
- Convalescent Centers
- Retirement Homes
- Homes for the Physically or Mentally Disabled (non-violent)
- Assisted Living

### Daily services (non-residential)

- Adult Day Care
- Counseling
- Physical Therapy
- Speech Therapy
- Occupational Therapy

Excluded Industry Segments: PEO, temporary staffing, hospitals and drug rehabilitation detoxification centers.

## Included risk management services

- **Early Intervention Telephonic Case Management** – Immediate access to a nurse at the time of injury allowing the injured employee to receive professional medical advice prior to filing a claim.
- **Risk Management Information System (RMIS)** – Access to a state-of-the-art technology platform offering specialized loss, premium and policy summary reports.
- **Predictive Modeling** – Assesses previous claims and delivers a rating based on expected ultimate claim severity. This allows the TPA to focus efforts on the claims that are most at-risk for adverse development.
- **Loss Control Services** – Loss control for each client providing site and employee safety recommendations.
- **Premium Financing** – Low down payment option delivering better cash flow and management. 10% down and 10 installments for annual policies. Pay-as-you-go- also available.
- **End-to-End Claim Management Reports** – Specialized claim summary reporting throughout the claim process.
- **Benchmarking Analysis** – Comparison of results to peer members within the Healthcare Program.

## Submission requirements

- Industry standard application
- ASCS Supplemental Healthcare application
- Payroll by state and class code
- Experience rating worksheet
- 5-years currently valued company loss runs including claim descriptions
