

Workers' Compensation - Temporary Staffing

As the heartbeat of a dynamic and diverse workforce, temporary staffing plays a pivotal role in various industries and makes up a major part of U.S labor.

The **Amwins Specialty Casualty Solutions** temporary staffing program is a comprehensive first-dollar workers' compensation solution that meets the unique challenges temporary staffing agencies face. Our exclusive and limited distribution markets focus on light industrial, medical and professional staffing with premiums of \$50,000 or higher.

Our team of specialists equips you with insights, best practices and the essential know-how to navigate the complexities of ensuring a secure and thriving future for temporary employees. Empower your clients with the knowledge and tools necessary to safeguard their most valuable asset – their people.

Program Highlights:

- **Financial Strength:** Rated A+ (Superior) by A.M. Best Company
- **Nationwide Availability:** Coverage in all states
- **Broad Appetite:** Over 330 acceptable classes, with additional classes accepted with approved referral
- **Payment Solutions:** Traditional and flexible solutions available, including pay-as-you-go
- **No experience modification restrictions**

Submission Requirements:

- Complete Acord application
- Loss Runs - 3 years of historical loss runs
- Complete temporary staffing supplemental application
