We understand your clients' priorities

Savvy employer groups and self insured Labor and Trust Funds are looking for more than false discounts these days. They are looking for a reliable PBM partner that can deliver lower costs today and more predictable costs in the future. Amwins Rx specializes in providing fully insured and self-funded solutions to employers. We offer custom plan designs, pass-through pricing, including mail service and rebates, educational and clinical programs and a reduction in administration. Our programs have consistently shown to improve outcomes for plan sponsors and their members.
