

With Stealth, you can expect so much more than just a quote.

Independent 3rd-Party Consultative Expertise

As career stop-loss professionals, you can trust our expertise, and as independent experts, you can trust our perspective.

Cost-Containment Solutions

We mitigate rising claims costs through integrated proprietary solutions that focus specifically on managing large catastrophic claims.

Underwriting

Our tenured team capitalizes on our unique long-term carrier relationships and robust resources to produce highly effective carrier negotiations.

Account Management

We simplify paper-work/implementation, ensure deadlines are met, act as a single point-of-contact, and provide ongoing enhanced account management support.

Specialty Programs

Whether a multi-employer captive, fully-insured transition program or an industry-specific specialized solution, we keep our finger on the pulse and build out capabilities to match.

Data Analytics and Reporting

Our universe of data enables us to deliver customized reports that provide actionable insights and help you make informed decisions.

Claims Management

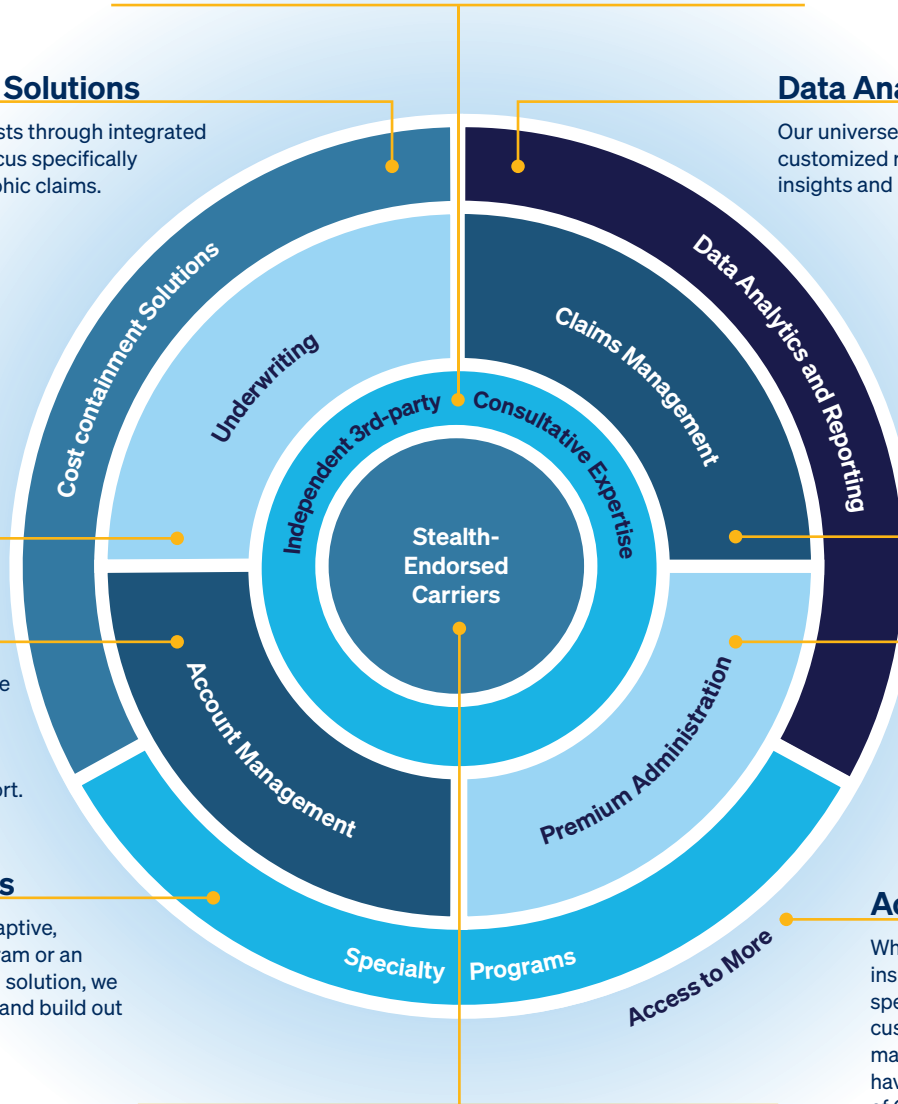

Our experienced team is hands-on from the start, providing end-to-end management of the claims process, which results in fewer unanswered questions and timely, accurate reimbursements.

Premium Administration

As a licensed and bonded TPA, we offer turnkey solutions to streamline self-administered billing and provide an additional layer of financial quality control.

Access to More

Whether you're looking for specialty insurance products/services, robust specialized benefit administration or customized program development/management, through Amwins, you have access to an entire portfolio of Group Benefits Solutions.

Stealth-Endorsed Carriers

We thoroughly evaluate each carrier before marking it with our seal of approval and only work with the industry's top markets.

Thoroughly comprehensive, highly specialized, fully integrated.

Simply put...the most effective turn-key stop-loss solution available in the marketplace today.
