

## Professional and General Liability for Long-Term Care Facilities

### Who We Are

**Amwins Specialty Casualty Solutions (ASCS)** is an MGA and specialty insurance program creator. Through our differentiated and exclusive programs, we write approximately \$1 billion in annual premium for a select group of specialty niche industries.

ASCS has teamed up with [Notting Hill Risk Retention Group](#) to offer a product that delivers a customized approach to professional and general liability coverage for long-term care facilities.

### Why Choose Us

- **Customized solutions:** Our tailored programs can be structured to fit your budget and risk tolerance on a case-by-case basis with varying retentions, corridor deductibles and sub-limits.
- **Broad risk tolerance:** We are willing to consider risks with challenging histories and/or those who are in difficult jurisdictions.
- **Financial stability:** Notting Hill has earned an “A” rating from Demotech, Inc., and is reinsured by Lloyd’s of London.
- **Expert claims services:** Our claims administrator, [Premier Claims Management, LLC](#), provides hands-on support and guidance throughout the claim process.
- **Experienced risk management:** Our policyholders benefit from [OmniSure’s](#) tools and resources that improve patient safety and mitigate risk.
- **Convenient premium financing:** We offer 15% down with monthly installments for annual policies.
