Many businesses whose primary service is not transportation have a need for a supplemental auto insurance policy to cover their employees for various needs, be it contractors and their transit between jobs or restaurants with their delivery operations. Through a partnership with a number of carriers, Amwins Transportation Underwriters looks to provide assistance in placing these risks.

Eligible Classes

- Armored cars
- Building material haulers
- Contractors
- Courier services
- Cranes & boom trucks (See program - Specialty Auto)
- Dairies
- Driver training - auto
- Driver training - truck and tractor
