Amwins Program Underwriters' Demolition Contractors insurance program offers general liability, auto, pollution, and excess coverage for wrecking and/or salvage operations. The program is underwritten with an A.M. Best "A" rated carrier.

## Availability

- All states except Alaska and Hawaii

## Target classes\*

- Wrecking buildings or structures
- Interior demolition (stripping out) of buildings and structures

## Other allowable operations (up to 25%)

- Excavation
- Grading of land
- Recycling of construction debris

## Ineligible operations

- No demolition contractors where more than 25% of demolition operations are subbed out to others
- Wrecking ball and/or blasting performed by the insured

## Underwriting requirements

- 75% of operations must be derived from demolition-related activities
- Completed Acord applications
- Demolition Contractors Supplemental Application
- Currently valued loss runs for the past 5 years
- Narrative of any losses in excess of \$10,000
- Current balance sheet and most recent audited financial statement incl. notes or D&B equivalent
- Signed TRIA upon binding
- If employee leasing is done, a copy of the lease agreement
- Details of all operations, including discontinued or sold operations, and new or acquired operations
- Current drivers list and MVRs

\*At least 75% of GL receipts must come from these classes
