## A niche program specializing in dump trucks and roll-off fleets with 1-100 power units

The Dump Trucks insurance program, offered through TUMI, part of the Amwins Underwriting division, is designed to provide an industry-leading insurance solution for professional truckers engaged in transporting sand, gravel, and other aggregate materials as well as those hauling roll-off containers for construction debris. TUMI's Dump Trucks program is underwritten by a team of industry experts that deliver quick and efficient quotes. The program is backed by carriers rated "A+" by A.M. Best that offer superior claims service, risk insight and management tools.

### Eligible accounts

- Trucking professionals engaged in transporting sand, gravel, agricultural products and other aggregate materials as well as those hauling roll-off containers for construction debris
