AmWINS Transportation  
Underwriters  
8335 Keystone Crossing  
Suite 210  
Indianapolis, IN 46240

A vehicle accident that results in an environmental hazard is, for most businesses, an occasional occurrence. Yet every business that's on the road needs to be prepared for such an event. AmWINS Transportation Underwriters offers an environmental program that helps transportation customers handle accidents and spill emergencies so they can focus on running their business.

### ADVANTAGES FOR THIS MARKET

- Coverage underwritten by Protective Insurance Company, an A.M. Best "A IX" rated carrier
- Outstanding claims expertise with environmental spill specialists
- ISO CA9948-Pollution Liability and MCS90 endorsement
- Package policies
- Country-wide authority, including the District of Columbia
- Prompt issuance of regulatory filings
- Competitive premiums and coverages
- Reporting form and installment payment options
- Experienced transportation underwriters
- Online risk engineering resources
- Current availability for one to 24-unit risks of all radii
- Multiple deductible options
- Excess Liability and Umbrella coverages available through alternative markets

### ELIGIBLE EXPOSURES

- For-hire petroleum transportation operations
- Minimum 10% transportation of hazardous materials requiring placards (see Prohibited Commodities)
- Non-hazardous tank truck or tank trailer operations hauling bulk liquid or bulk dry commodities
- Bulk food grade commodities
- Hazardous and non-hazardous waste haulers, excluding garbage and refuse hauling

### PROHIBITED COMMODITIES
