A dedicated insurance program offering animal mortality coverage for the equine industry

With over 20 years of experience in this sector, Equisure, part of the Amwins Underwriting division, is known among horse owners as the insurance provider that understands the passion and the sport of its insureds. Equisure offers an Animal Mortality program designed to protect against the loss of an animal as a result of a covered accident, injury, illness or disease, while also providing coverage for theft. Major medical and other endorsements may be available.

Program highlights

- \$5,000 Emergency Colic Surgery Endorsement included at no additional premium
- Transit coverage for imported horses
- Various limits (dependent on the carrier)

Eligible accounts

- Horses (including mules and miniature horses)

Ineligible accounts

- Horses over 17 years of age
- Horses valued under \$2,500

Coverage

- Mortality (including theft)
- Major medical/veterinary services
