## A dedicated insurance program offering liability coverage for animal trainers nationwide.

With over 30 years of experience in this sector, Equisure, part of the Amwins Underwriting division, is known among animal trainers as the insurance provider that understands the passion and the sport of its insureds. Equisure's Animal Trainers program is designed to offer your clients general and professional liability coverage as well as several policy enhancements to protect them against third party claims.

### Program highlights

- Commercial general liability with option to include professional liability
- Care, custody, and control included with most quotes
- Medical payments
- Policies can include general liability for a trainer's therapy animal

### Eligible accounts

- Training for bomb/narcotic sniffing dogs
- Specialty training for service dogs
- Trainers providing Canine Good Citizen certifications
- Cadaver dog training
- Obedience, confirmation, and agility training

### Ineligible accounts

- Puppy and animal sales
- Overnight dog sitters
- Racing (wager) operations
- Dog walkers
- Boarding kennels
- Liability related to emotional support animals

### Coverage

- Commercial general liability - can include PL (occurrence basis)
- Medical payments of \$5,000 with the option to increase
- Liability coverage applies on and off-premises
- Limited professional liability included in most policies
- Fire legal liability provided at no charge
- Care, custody, and control included per horse or for non-owned property

### Carrier

- A.M. Best rated "A" (Superior)
- Non-admitted

### Availability

- All states
