# Lawyers Professional Liability Risk Control

Clients select a law firm based upon its legal expertise and the ability to serve the client's individual legal needs. Similarly, law firms select CNA as a professional liability insurance carrier based upon our experience and insurance products tailored specifically to lawyers.

With more than 60 years of experience providing lawyers professional liability insurance, CNA offers a broad range of insurance products and solutions through our Underwriting, Claim and Risk Control teams. These specialties work together to develop customized policies, dedicated claim services and proactive risk control resources to address the evolving exposures in a law firm.

### A Dedicated Risk Control Team

CNA understands that law firms face unique challenges. Our Risk Control team, comprised of full-time experienced attorneys, works exclusively with lawyers and law firms. This dedication enables CNA consultants to identify and help lawyers and law firms manage the pervasive exposures they encounter.

### SORCE® On Demand

SORCE® On Demand is a convenient 24/7 online resource that may help manage your legal practice exposures. As a CNA policyholder, you have access to a new self-study platform that will help you identify exposures in your legal practice as well as provide relevant risk control techniques that can help you manage and minimize your professional liability risks. This educational platform is easy-to-use and accessible from any computer, laptop or tablet.

CNA has collaborated with the CEU Institute, a leading provider of online continuing legal education, to provide the course content available on the self-study platform, which may qualify for premium and CLE credit.

### Online Resources

CNA's *Professional Counsel™* and *In Practice... with CNA™* offer practical guides, articles, industry trend studies and other self-help tools, which can be found at [lawyersinsurance.com](http://lawyersinsurance.com). Click on the "Find Resources to Manage & Reduce Risk" tab on the left, then scroll down to click on the "Professional & Management Liability" tab.

### Live Seminars

Live seminars are presented by lawyers for lawyers, providing valuable instruction, practical guides, checklists and risk control recommendations to help navigate today's complex legal environment. These courses also may qualify for premium and CLE credit.

### Firm-Specific Seminars

CNA also offers firm-specific risk control seminars available for presentation on-site for the convenience of the insured law firm and its staff. These courses also may qualify for premium and CLE credit.

### Intellectual Property Webinars

As part of CNA's Lawyers Professional Liability Risk Control, an annual webinar series is available for insured lawyers and law firms concentrating in the area of intellectual property. Four webinars are presented each year, and the courses may qualify for premium and CLE credit.

### Risk Control Hotline

CNA's Risk Control Hotline is staffed by CNA attorneys concentrating in legal ethics and law practice management. The hotline provides CNA policyholders with a resource for discussing issues and questions that arise in day-to-day practice. Please call 1-866-CNA-0034 (866-262-0034).

### Insurance Products and Solutions

Beyond managing the everyday challenges, law firm management seeks to identify and mitigate the pitfalls of their practice. CNA has developed a portfolio of coverage solutions designed to address these issues, including Directors & Officers liability, Property & Casualty, Workers' Compensation, Cyber Liability and other relevant insurance coverages.
