

## Logistics Program

Amwins Program Underwriters offers an all-in-one insurance solution for the logistics industry, including freight forwarders liability, motor carriers' liability, errors & omission and more. Our proprietary form, **FreightLock™**, provides clear coverage definitions to eliminate the gray areas and make logistics insurance as easy as possible. We're committed to helping you win with dedicated claims handled by industry specialists, additional ocean cargo and warehouse options, and fast production.

### Program highlights

- Our FreightLock™ coverage form is a robust, all-in-one solution tailored for the logistics industry. It offers:
  - Freight forwarders' legal liability
  - Motor carriers' legal liability
  - Warehouse legal liability
  - Transportation broker legal liability
  - Errors & omissions coverage
  - Contingent motor truck cargo can be added by endorsement
- In addition to the FreightLock™ coverage form, we offer additional coverages on a monoline basis:
  - Ocean cargo/shippers' interest
  - Warehouse legal liability
  - Warehouse goods of others
- Outstanding service with expedited policy turnaround
- Dedicated underwriting with experience in logistics
- Global claims handling with industry knowledge specifications

### Target clients

- International & domestic freight forwarders
- Transportation brokers
- Non-vessel operating common carriers (NVOCCs)
- Indirect air carriers (IACs)
- 3PL / 4PL Providers
- Warehouse operators
- Motor truck cargo exposure – less than 25% of gross revenues
- Customs house brokerage

### Minimum premium

- \$2,500

### Carrier

- Certain Underwriters at Lloyd's
- Non-admitted

## Availability

All risks must be domiciled within the United States. Worldwide coverage is available but excludes exposure in certain high-risk countries, including but not limited to:

- Crimea
- Cuba
- Iran
- North Korea
- Russia
- Venezuela
- Ukraine
- Africa
- South America
- Central America
- UN EU and USA Sanctions

## Submission requirements

1. Currently valued five-year loss experience
2. Completed Amwins Program Underwriters' supplementary application
3. Copies of currently utilized warehouseman's agreements
