Comprehensive upstream energy coverage

Amwins Program Underwriters' Oil & Gas program provides comprehensive insurance solutions for upstream oil and gas operators, non-operators, and service contractors across the U.S. and Canada. With low minimum premiums, the Oil & Gas program offers stand-alone or package coverages on an admitted or non-admitted basis to allow for greater flexibility. Backed by an experienced team of professionals with over 20 years of oil & gas underwriting, our "one-stop shop" Oil & Gas program has your clients covered.

General liability
