

Paratransit Program

Expert solutions carrying you forward. We help you navigate the paratransit landscape, protecting your clients at every turn.

Companies who specialize in Non-Emergency Medical Transportation (NEMT) are looking for an insurance program that protects their passengers and vehicles in the event of a loss or claim. Draco Insurance Solutions, part of the Amwins Underwriting division, has partnered with an “A-” rated carrier to offer our agents a high-quality program that protects the distinct needs of their customers.
