

Taxicab Program

In today's competitive public transportation environment, we understand you need every advantage.

Speed, flexibility and cost-effective solutions have never been more important to taxicab owners. Draco Insurance Solutions, part of the Amwins Underwriting division, has partnered with an "A" rated carrier to offer our agents a competitive taxicab program to bring to their owners.

Program highlights

- Statutory limits up to \$500,000 CSL
- "A" rated carrier (Admitted)
- Loss control services provided
- Exceptional claims handling

Eligible accounts

- On demand or dispatched vehicles
- Passenger seating of eight or less
- Metered vehicles
- Fleet, non-fleet, or individual owner operators
- New ventures (drivers must have taxi experience)

Ineligible accounts

- Limousine exposures
- Charter bus exposures
- Inner-city shuttles

Coverage

- Auto liability

Availability

- Available countrywide with some limitations. The program excludes Alaska, Louisiana, and Michigan.

Submission requirements

- Industry standard application
- Taxicab supplemental application
- MVRs
