A package program for professional, for-hire tow companies that also engage in approved ancillary operations.

The Towing insurance program, offered through TUMI, part of the Amwins Underwriting division, is designed to provide dedicated coverage for tow-truck operators. With travel increasing and more vehicles on the road, car accidents and other car issues have surged resulting in a greater demand for towing services and roadside assistance. The Towing program is offered through a select group of retail brokers and underwritten on an admitted and non-admitted basis. The program is backed by carriers rated “A” by A.M. Best that offer superior claims service, risk insights and risk management tools.
