An exclusive program that offers package coverage for auto dismantling operations.

With over 30 years of experience in this sector, GJS Co., part of the Amwins Underwriting division, offers a dedicated insurance program for auto dismantlers. The Auto Dismantlers program, which is distributed through a select group of retail brokers, is available in most states and underwritten on an admitted basis. Our team of specialized underwriters are well versed in the auto dismantling industry and will work with you to develop a customized solution to protect your clients.

Eligible accounts
