An exclusive program that offers package coverage for scrap metal dealers.

With over 30 years of experience in this sector, GJS Co., part of the Amwins Underwriting division, offers a unique insurance solution for scrap metal dealers. The Scrap Metal Dealers program, which is distributed through a select group of retail brokers, is available in most states and underwritten on an admitted basis. Our team of underwriting specialists understand the nuances of the scrap metal industry and are ready to serve up the best solution for your clients.
