## An exclusive program that offers workers' compensation for auto dismantling operations.

With over 30 years of experience in this sector, GJS Co., part of the Amwins Underwriting division, offers a dedicated workers' comp insurance program for auto dismantlers. The program, which is distributed through a select group of retail brokers, is available in most states and underwritten on an admitted basis. Our team of specialized underwriters are well versed in the auto dismantling industry and will work with you to develop a customized solution to protect your clients.

### Eligible accounts

- Automotive dismantlers
- Scrap yards
- Self-service yards
- Scrap dealers
- Auto recyclers

The program targets risks that are primarily engaged in dismantling autos and selling used parts.

### Ineligible accounts

- For-hire transportation
- Leasing or rental of vehicles or mobile equipment
- Transformer dismantling
- Limited appetite for ancillary auto repair, body work, towing or sales exposures

### Availability

- All states except AK, HI, MA, NY & NJ

### Limits

- Employers' liability minimum: \$500K
- Employers' liability maximum: \$1M

### Carrier

- A.M. Best rated "A" (Excellent)
