

## Big Solutions for Small Businesses

### Get things done at the speed of scale

Amwins Access is a nationwide binding and brokerage platform for small P&C and personal lines accounts. With over \$2.5 billion in premium placed annually, we know a few people. Our market relationships help us bring you creative solutions, fast—and keep you ahead of the game long-term with knowledge of shifting trends and needs. With our resources, the heavy lifting of processing and logistics becomes light work. With Amwins Access, you have the speed and expertise you need to ensure the best terms for your insureds.

### We're set up for your success

We leverage our size, clout and big-business mindset to provide insurance distribution solutions. Our centralized client services, local underwriting and operations team taps into the efficiencies of the largest P&C wholesaler, while local underwriters work to handle the specifics just to your liking. We work together to work smarter for you.

### How we help you win

- ✓ **The reach and relationships to close deals quickly:**  
Backed by a global network, niche industry expertise and specialist teams, Amwins Access delivers competitive small business solutions quickly – providing the resources you need to succeed along the way.
- ✓ **Smart solutions built for small businesses:**  
With Access offices throughout the majority of the country, we have the reach and relationships to deliver for your clients – no matter where they are.
- ✓ **A dedicated team that works where you are:**  
With 236 underwriting teams dedicated to the small business space, and average industry experience of more than a decade, or local underwriters deliver the right coverage quickly.
- ✓ **Giving you access to cutting-edge technology**  
Driven by data and analytics, our industry-leading technology both simplifies and accelerates the process of handling small accounts.
